

MAKE YOUR VOICE HEARD!

CUSTOMIZE YOUR SHIRT WITH YOUR OWN SAYING!

FROM THIS....

TO THIS....

When you order the customizable option, you have the opportunity to make your own statement on your shirt! We love to see what other drivers are thinking! All you have to do is 1) choose the design you want to customize, 2) add your custom text in the provided text boxes [Line 1, Line 2], and 3) click "Add to Cart" and you're all set! We'll change the text, send you a proof, then when you reply to confirm the customization, it goes to print, then it's on it's way to you! It's that easy!

But what if you want a different picture? NO PROBLEM!

You can send us a camera ready picture to place on the artwork and we'll add it too! We love making custom shirts, as that is our specialty! If you have a picture that needs lots of editing, we can do that for a one-time charge of \$15 per design. Of course, your custom pictures have to be free of copyrights, unless you own the right to reproduce them. We respect all copyright laws, and know all bus drivers do too!

WE LOOK FORWARD TO MAKING YOUR CUSTOM SHIRTS THE WAY YOU WANT THEM!
